**FIITJEE VADODARA** 

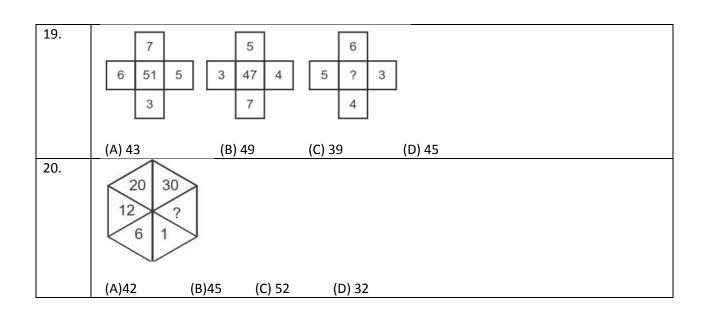

Instruction: For figures are given in question no.11 to 15. One of the figure differs from the rest. Find the figure which is differ from others

## Instruction: In question no. 16 to 20 figures are given with question mark(?). Complete the figure replacing question mark(?) with suitable number logically.

**FIITJEE VADODARA** 

Instruction: In question no. 21 to 25, English alphabets are given digital number/code. Using them, find the correct digital number/code for given English word by choosing the correct option given below.

| 21.                                                                                        | If GOOD = 715154 the NEWS = ?                      |                        |                      |                        |
