USS MODEL EXAM 2019-20 KSTU KONDOTTY SUB DISTRICT PAPER - II PART - A ENGLISH (English Medium)

(Que : 1 to 15) Answer all Questions.

Read the story and answer the questions 1-5

The true friendship seems to be getting rare in this world. This does not mean that all friendship are false.

But friendship is increasingly becoming an act of selfishness. Money attracts friends. The richer a man is the more friends he will have. He has the power to purchase friends. Friendship ends when money ceases to be the link between friends. But true friendship is of a different nature. It is lasting and changed circumstances do not end it. Money has no place in it. A true friend is ready to make sacrifices to help his friend.
