Today I am the happiest person on this earth. I just can't believe that a small grey squirrel has started believing in me. At first, he was not ready to accept me as his friend. But, when he found that I did not arm myself with a catapult or an air-gun, he became friendlier. And to my surprise, when I left him pieces of cake and biscuit, he grew bolder and finally became familiar enough to take food from my hands. I feel so happy for him. Thank you my first friend, for having faith in me...
