If you must go, then go for a while  
Remember that first step is a hard travelled mile  
To learn what lessons life has in store,  
You must be willing to open each door  
Don't be afraid to experience something new  
For each experience will be a benefit to you.

Never live your life in the past  
Enjoy everyday as if it were last.  
Set your goals high and strive for them  
As long as you try, you'll never be condemned

Be kind and respect the people you meet  
For they may be the ones to make life complete.
