Section B: Writing & Grammar: 35 Marks

Section C: Literature : 25 Marks

2. All Questions are compulsory.

3. You may attempt any section at a time.

4. All questions of that particular section must be attempted in the correct order.

SECTION A: READING

1. Read the following passage carefully :

8m

'Health is wealth', is a well known saying. Without good health life is a burden. When we fall ill we are unhappy. We cannot work or play. Germs cause illness. These are very small living things. They live on dirt and grow in darkness. They get into our body by air, water, food or cuts in the skin and make us ill. Dirt and darkness are the enemies of good health. They breed germs. Sunlight and cleanliness destroy them, so we must keep our body clean to keep healthy and take exercises regularly. Bad habits like smoking must be avoided.

1. Based on the reading of the passage answer the questions by choosing the correct option: 8m

a) A popular saying on health is:

(i) Healthy is wealthy

1. Food can maintain body and save life. It can destroy life as well. Proper food serves as medicine, improper food works as poison. A little care about the quality and quantity of food will keep us healthy and happy. If we go about eating all sorts of things, we shall become sick.

2. We take pride in calling ourselves civilized. Being sensible means to know the difference between good and bad, right and wrong. It will not do to become slaves to our tongue or taste. Even cattle, birds and beasts eat only what is best for their body.

3. We mostly eat processed food and refined sugar. We pay heavily for junk food, for Chinese dishes or deep fried snacks. As a result we catch diseases. We have drifted away from Mother Nature. We laugh at the rules of hygiene, healthy diet, and the advice of our elders. This has given rise to diabetes.

4. We offer chocolates, cakes, and ice creams too often to our children. We also attend parties or dine out every day. This way we invite obesity and diabetes.

2.1 On the basis of your reading of the passage answer the following questions:

2x4=8
