35.		One of the most popular foods of all time is chocolate. People nowadays eat chocolate in different forms, such as chocolate candy, chocolate cakes and hot or cold chocolate drinks.			
		The chocolate we eat today is made from a lot of different ingredients, but the most important ingredient is cacaobean. The story of cacaobean and its journey to stores and supermarkets all over the world started hundreds of years ago in Mexico. The Maya were the first people to eat cacaobeans. They picked cacaobeans from wild trees and cleared land to cultivate their own trees. Mayan merchants travelled north and introduced cacaobeans to the Aztec people. Soon the cacaobean was part of the Aztec's lives. They used it as a drink, as part of religious ceremonies and even as a money with 10 beans they bought a rabbit, with 100 beans they bought a slave, which was one of the Aztec's God.
