

UNIT :1

FIELDS AND FORESTS

MODULE :1

Why don't you
come down and
play with me?

Ha ! Ha! What
will be the
squirrels
condition if he
gets in to the
water?

Hum! Can you
climb a tree and
jump along its
branches like i
do ?

I can live both on
The land and in water

A number of living organism are around us.

Some of them can live on land.
