

Measuring Angles - Clock

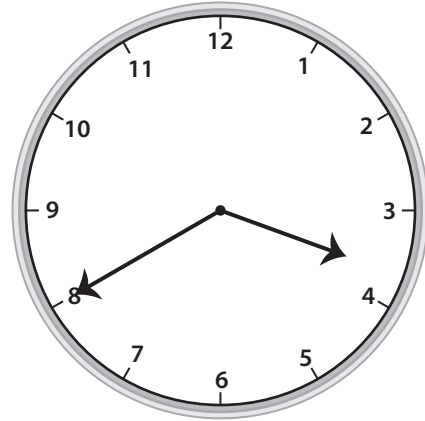

Find the angle formed between a pair of hands in each clock.

1)

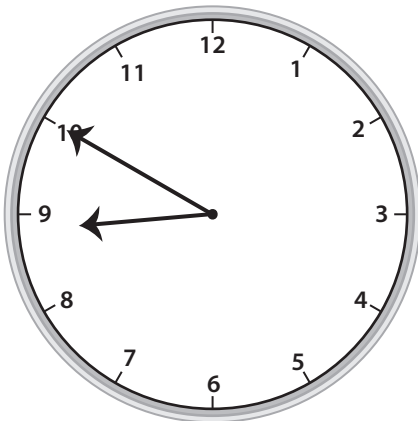

Angle : _____

2)

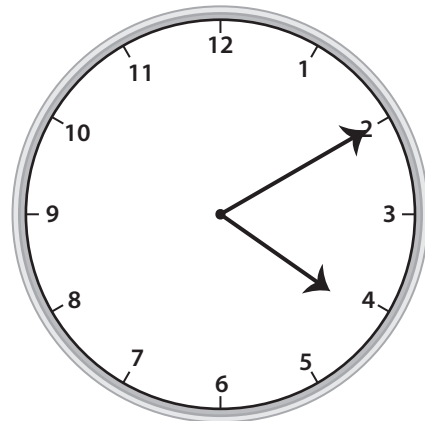

Angle : _____

3)

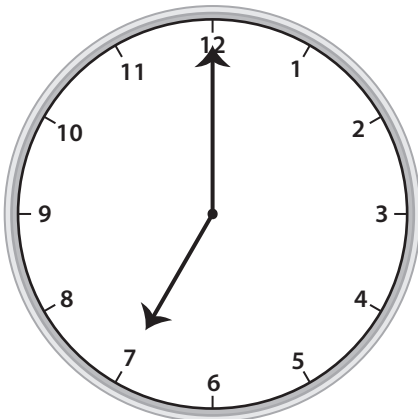

Angle : _____

4)

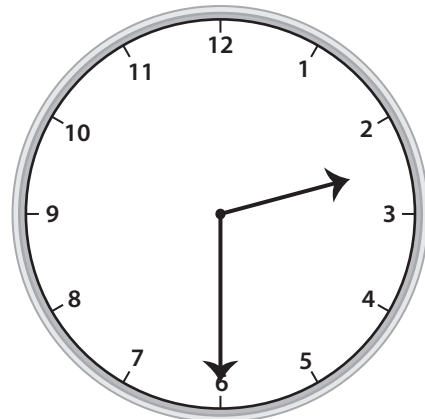

Angle : _____

5)

Angle : _____

6)

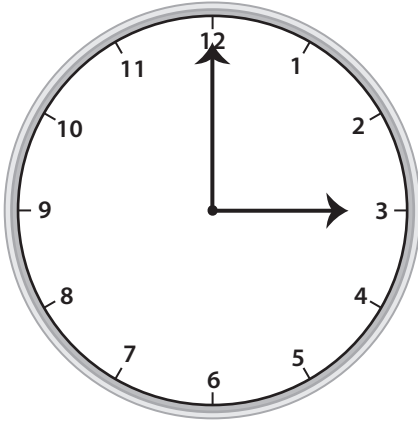

Angle : _____

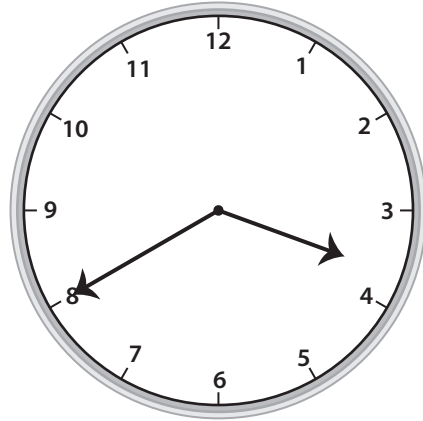

Measuring Angles - Clock

Find the angle formed between a pair of hands in each clock.

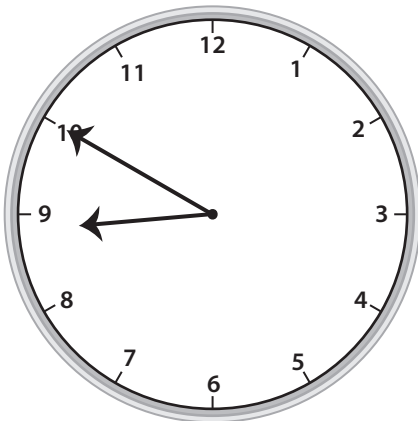

1)

Angle : **90°**

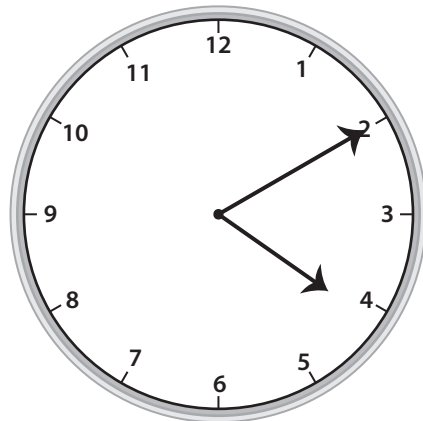

2)

Angle : **130°**

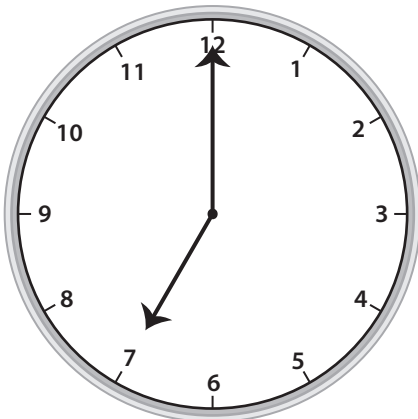

3)

Angle : **35°**

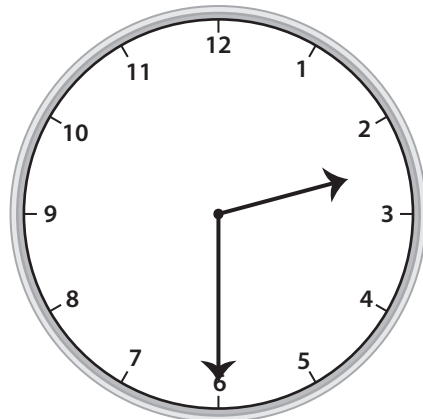

4)

Angle : **65°**

5)

Angle : **180°**

6)

Angle : **105°**
