

Class & Subject : Class V, English.
 Name of the Unit : The Wings of Dreams
 Name of the Lesson : Rain is Summer (Poem)

Theme : Dreams / Imagination
 Sub themes : Beauty of the rain.

Learning Objectives :-

- The learner will be able to,
- * understand and appreciate the beauty of nature.
 - * appreciate the joy and beauty of a rainy day and understands how it washes away the dirt and dust from our heart just like it washes away the street.
 - * recite the poem rhythmically
 - * grasps new vocabulary.

TLM :- Video of a rainy day, animated video/
 audio of the poem
 Discussions : Riddles

PROCESS

ASSESSMENT

Entry Activity.

Teacher shows the video of a beautiful rainy day and asks some questions based on it.

- * What is the video about?
- * Which day do you like, rainy day or a sunny day?
- * Why do you like rainy days?
- * Can you share your experiences during rainy seasons? [Activity I]

Silent Recitation: Let the learners recite the poem silently. Let them share the ideas they got in small groups. Let them give a chance to guess the meaning of new words and clarify it by referring the glossary.

Teacher asks some scaffolding questions :-

* Which line ^{or stanza} of the poem do you like the most and why?

* What's the theme of the poem?

* Whether the author loves rainy days?

Choral Recitation

Let the learners chorally recite the poem.

Video/Audio presentation of the Poem

Teacher presents the animated video of the poem. Asks them to listen it carefully.

Asks questions

* When does the rain look beautiful?

* Pick out the lines that describe the sound of rain?

* Pick out the rhyming words.

Riddles [Activity 2]

Teacher asks some riddles and let them guess the answers. They are asked to draw pictures of the answers.

Video [Activity 3] → Teacher shows video on different types of rain & asks them to complete the activity.

Follow-up Activity

Write down 2 more riddles (P. No 54).
