

## Activity 1

Read the story..

'My kite is flying high,' Riyaz said.

'No, my yellow one is higher,' said Maya.

'But look there is another one flying above all our kites,' Riyaz said. Everyone looked up.

'Oh! It has a colourful tail. Whose kite is that?' Dinu asked.

'It's not a kite. It's a bird,' Maya said.

'It is mine.'

'Who is that?' The friends looked back.

'Minu...! Is it yours? They asked in wonder.

'Yes, it's my Kitty.' Minu's face shone with joy.
