Answer the following:

5

1. 3000+8=
2. How many hundreds in 4030?
3. 1000= 350+ .... + ...
4. 6 thousands , 2 hundreds , 8 tens , 5 ones =
 5.Write 45 in Roman numerals.

Complete the pattern.

5

a). 2080, 2090 , --------- ,--------- , ----------
b). 3007, 3008,3009, --------- ,--------- , ----------
c). 1725, 2225 , 2725 , -------- , ---------- , --------
d). 6000 , 5750 , 5500 , -------- , -------- , ---------
e). 4600, 4400 , 4200 , --------- , -------- , ----------

Write in different ways

5

.........thousands
...........hundreds
...........tens
...........ones

.......tens
..........Ones

......thousands
..........ones

7328

..........Ones

.........hundreds
........tens
.........ones

........Hundreds
...........ones

......thousands
.........tens
..........ones

complete the table

Number in digit	Place value				Number in words
	thousands	hundreds	tens	ones	
2099	2	0	9	9	....
....	....	....	....	....	Three thousand eighty
9999	....	....	....	....	....
	....	....	....	....	Seven thousand ten
8010	....	....	....	....	....

5.The PTA has decided to buy TV for Amina's school children who do not have a TV to watch online classes. They went to raise money in 4 groups. The number of notes they have collected is given below. How much money each group has collected?
