

SECOND TERM EVALUATION 2024-25

ENGLISH MODEL QUESTION PAPER 2

Standard: V

Activity 1: Reading Comprehension (Story)

Read the following story and answer the questions:

Arya loved flying. One day, she saw an injured eagle near her flying school. She carefully took the eagle to a vet, who treated its wing. Arya brought the eagle back home and built a small shelter for it. Over time, the eagle healed and became her companion. One morning, Arya released the eagle into the sky, watching it soar freely. The eagle circled above her, as if saying thank you, before flying away.

1. What did Arya love to do?
2. Where did she find the eagle?
3. How did Arya help the eagle?
4. What did Arya do once the eagle healed?
5. Suggest a suitable title for the story.

Activity 2: Diary Writing

Imagine you are Ravi from *Rebecca and the Tree of Life*. Write a diary entry describing your feelings when your community started planting trees together.

Activity 3: Letter Writing

Imagine you are Arya from *The Girl Who Dreamt of Flying*. Write a letter to a friend describing your first flying lesson and how it made you feel.

Activity 4: Notice Writing

Your school is organizing a book donation drive to help underprivileged children. Write a notice inviting students to participate, including the date, time, and venue.

Activity 5: Describe a Picture

Imagine a picture showing a busy market scene with colorful stalls, vendors shouting, and people shopping. Write a description of the scene in 5-6 sentences.

Activity 6: Rearrange Events

The following events are from the story *Salt in His Shoes*. Arrange them in the correct order:

1. Michael worked hard and became one of the greatest basketball players.

2. Michael's mother gave him advice about putting salt in his shoes.
3. Michael practised daily and improved his skills.
4. Michael was disappointed because he was shorter than other players.
5. Michael realised that practice and determination were more important than height.
