NOTE		#
(I)	Please check that this question paper contains 16 printed pages.	
(II)	Q.P. Code given on the right hand side of the question paper should be written on the title page of the answer-book by the candidate.	e
(III)	Please check that this question paper contains 14 questions.	
(IV)	Please write down the Serial Number of the question in answer-book at the given place before attempting it.	the
(V)	15 minute time has been allotted to read this question paper. The que paper will be distributed at 10.15 a.m. From 10.15 a.m. to 10.30 a.m candidates will read the question paper only and will not write any an on the answer-book during this period.	n., the

General Instructions :

- This question paper is divided into 4 Sections.
- It has total **14** questions.
- Section A: 1 question no. 1(a) to 1(d).
- Section B : 2 questions no. 2 and 3.
- Section C : 7 questions no. 4 to 10.
- Section D-I & D-II : 4 questions no. 11 to 14.

Attempt questions as per specific instructions.

Write question no. in answer book before attempting it.

 - A. Once there was a carpenter and a blacksmith. They had a fight about who was more skilful. They then went to the King and asked him to be the judge. The King gave them ten days' time. He asked them to prepare a sample of their work and bring it to him. After ten days, the carpenter and the blacksmith came back to the King. Each carried a bag on his shoulder.

OR

B. Every day, we talk to each other. We listen and even write to each other. Sharing our thoughts and feelings with each other is called communication. Listening, speaking, reading, writing and even facial expressions are different ways of communication. We can talk to the people who are right in front of us. But, how do we communicate with people who are far away from us.
