

SAMAGRA SHIKSHA KERALA

SUMMATIVE ASSESSMENT – I 2026-2027

Standard V

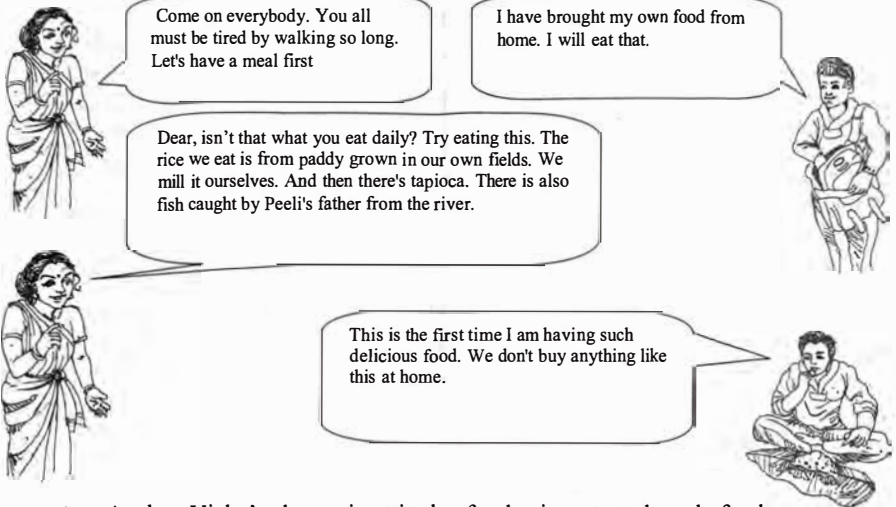

SOCIAL SCIENCE

Time: 2 Hrs 15minutes

Instructions

- 15 minutes cool-off time is allotted for reading and understanding the questions and plan your answers.
- You must answer all 6 questions and answer all the sub questions.

1 Here is a conversation between Vicky and Peeli's mother.

Peeli's mother: Come on everybody. You all must be tired by walking so long. Let's have a meal first

Vicky: I have brought my own food from home. I will eat that.

Peeli's mother: Dear, isn't that what you eat daily? Try eating this. The rice we eat is from paddy grown in our own fields. We mill it ourselves. And then there's tapioca. There is also fish caught by Peeli's father from the river.

Vicky: This is the first time I am having such delicious food. We don't buy anything like this at home.

- Analyze Vicky's change in attitude after having a tasty homely food.
 - Vicky enjoyed eating the tasty homely food. Prepare two questions that Vicky is likely to ask Peeli's father about farming.
- 2 There are people around us who like either village life or city life.
- Prepare a note comparing the characteristics of village life and city life.
